Welcome to the Customer Property Portal, a secure web application that allows you to track and manage your UWS inventory, giving you real-time insights to every aspect of your property. Users can access their entire UWS inventory through any device that has access to a web browser, and can easily track inventory, contact UWS management team, print and export secure documents, and much more.

## TRACK YOUR INVENTORY

Have access to your complete inventory - wherever and whenever you need it.

### **STAY IN THE LOOP**

Be in direct contact with the UWS manager overseeing your inventory by sending them a message from your device, available 24/7.

## **EXPORT, PRINT AND VIEW SECURE FILES**

View and print invoices, delivery tickets, field service orders, shop routers, test charts, MTRs, JSAs, POs, wellhead schematics, and all associated documents pertaining to its corresponding well/lease.

For more information, please contact your local UWS representative.
